

# Enjoy growing your own fruit and vegetables?

## Become a Master Gardener

**Join a growing network of Warwickshire volunteers giving advice and support to people growing their own food**

- **Full support and training from Garden Organic (next training October 1st and 2nd 2011)**
- **Flexible volunteering in your own community**
- **Pass on your own food growing experience to others**

[www.warwickshire.mastergardeners.org.uk](http://www.warwickshire.mastergardeners.org.uk)

Master Gardeners are volunteers managed by Garden Organic offering growing advice and support. They don't offer a gardening service. Participation for all involved is free.

**Your local Master Gardeners are managed by co-ordinator Kate Newman**
