THINK

Road Safety

...you can help!

www.warwickshire.gov.uk/speedaware

what can you do?

Speeding is a major cause of collisions so reducing traffic speed is often a community priority.

You can make a real difference by becoming a Community SpeedAware volunteer and promoting safer speeds using our flashing slow down signs. Your presence with the sign will have a dramatic effect on the speed of traffic.

The only cost will be your time, as you will need to be close to our signs at all times when in use. You will also need to erect, dismantle and store the signs safely for the duration of the loan.

What does Community SpeedAware include?

- Free use of anti-speeding flashing signs for up to 2 weeks.
- Free use of Health & Safety equipment.
- Free training in the use of the sign upon delivery.
- Free plastic 'Slow Down' signs for up to 2 weeks.

Who can volunteer?

- The scheme is open to any small group (minimum 2 people).
- Ideal for organisations, Neighbourhood Watch groups or local councils.
- The scheme can be operated on roads with a 20, 30 or 40 mph speed limit.

Visit: www.warwickshire.gov.uk/speedaware for further information and to find out about other schemes.

For any SpeedAware enquiries, please call: 01926 418612

I am interested in applying for Community SpeedAware, please send me further information and an application form.
