

Bidford on Avon P3 Foot Paths Partnership Meeting Minutes 16/10/07

Attendees

Jason Norledge Graham Steed
Mary Steed Alan Ewins
Monica Ewins

Apologies

Alan walker
Jim Langridge

b/fwd date	Item	Action
16/10/7	The group has received communication from "the Shakespeare's Avon way association" asking for any help in way marking the section through our area.	The group agreed this would be a good idea, JN also agreed to put them in touch with IM to see if any other P3 groups would like to assist.
16/10/7	JN made the group aware of several planned works where the group would use a contractor to achieve the goal. This includes several gateway reinstatements. AL199, AL27, AL26 & AL176.	IM arranging and JN will see/talk through quotations on Friday 19 th Oct.
16/10/7	AW raised a point of disappointment that the HOEW from the high st in Bidford all the way to broom does not pass a single rubbish bin ! People were encouraged to make their thoughts on this known to the PC perhaps to encourage the installation of a few. This could also assist us in keeping the paths we maintain more litter free.	Spoke with EG, Parish Clerk who agreed to look into placing bins at Jacksons meadow & westholme road were it meets AL21 - No bins seen, JN to follow up.
15/5/7	AL29 (Golf course entrance of tower hill) - Glass around gate, needs looking at.	JN to investigate.
11/0107	AE & JN both brought the concern again of the weed control on paths AL21 & 22.	JN to keep focus on with IM
23/11/06	ME & MS agreed to walk the information from Gill Whitehouse to confirm route and detail on the Golf Course Walk for production of groups 2 nd leaflet.	Waiting to get on to golf course with IM to use def map to confirm route. Coming soon....
16/10/7	Alan Walker offered to take the group to walk Barton / Fox Covert walk to clarify and decide what improvement / maintenance is required, this is needed as walk is slightly complex and partly crosses into Worcestershire before production of 3 rd leaflet.	Next leaflet under construction.
16/10/7	ME & MS suggested it would be a good idea to have a cascade system for passing information around by telephone (similar to that used for school closure notification in bad weather)	JN to poll members to see who responds to create the list.
16/10/7	JN provided the group with a summary of what the group has achieved this year and thanked them for their efforts.	INFO
16/10/7	JN confirmed with the group which members would be signatories on the group's bank account and passed on the relevant paperwork for them to visit the bank to carry on the opening process.	INFO
16/10/7	JN advised the group that we had approached Bloomfield's printers in the village and received quotes for differing quantities of leaflets, JN had also written to the Parish Council on the advise of the Clerk who advises the PC may consider a joint funding in some way of the leaflet run.	Awaiting PC meeting.
16/10/7	ME & MS raised the idea that the group may like a Christmas social event...	All to look into.
16/10/7	JN brought to the attention of the group a application to extinguish and recreate footpath AL24b, this down Marlcliff Bank (currently unused and not visible due to non use), new proposed route joins AL199 to part of AL24b and creates a new path continuing to Worcestershire boundary towards Marlcliff lock.	Group thought this sensible and raised no objections.
16/10/7	Next meeting	Tuesday 13 th November 07
