

BIDFORD ON AVON PARISH COUNCIL

In the County of Warwickshire

Bidford-on-Avon Parish Council Drone Protocol

This is in line with the current legislation covering the flying of non-commercial drones **must**

- weigh under 20 Kgs
- not fly above 400 feet in altitude of 500 metres horizontally from the pilot
- always be in the sight of the pilot or an observer (this is someone appointed by and working with the pilot)
- not fly within 1 km of an airport boundary

If the drone is fitted with a camera they **must**:

- not fly within 50 metres of people, vehicles, buildings or vessels
 - not fly within 150 metres of a congested area or any large groups of people
- If it is intended to records in an area where people are they must be informed first**

From 30th November 2019 it will be illegal to fly a drone weighing more than 250gms without the pilot first registering the the Civil Aviation Authority (CAA) and passing online safety tests. Failing to register with the CAA or pass the online tests before flying will become a criminal offence carrying a £1,000.00 fine
